Voluntary Sector Support Funding Fair – 1 Aug 2018

The Big Lottery Fund has recently re-launched their Reaching Communities grant fund for grants over £10,000. They are also now based locally, with local funding officers to guide you through the process. The application process has been streamlined to an 'ideas' based process, so there are no lengthy application forms in the initial stages.

Claire Webley, Funding Officer (in Arun, Chichester, Mid Sussex, Crawley, Horsham and Brighton & Hove) will present further information about the new process and be available for 1:1 slots to discuss your idea!

Please visit the Big Lottery website for more information and to check if you're eligible to apply:

www.biglotteryfund.org.uk/funding/programmes/reaching-communities-england

The Sussex Community Foundation will be promoting funding opportunities available for voluntary and community sector groups working in Horsham district. Grants featured will be those included in the next grant round, closing on 14 Sept 2018. One to one slots will be bookable with the Sussex Community Foundation.

Please visit the Sussex Community Foundation website for more information and to check if you're eligible to apply:

<https://sussexgiving.org.uk/>

TESCO Bags of Help

Tesco Bags of Help will be promoting their small grants for community projects. Examples of projects supported include: improving community buildings, improving outdoor spaces, buying new equipment, training coaches, volunteering and hosting community events.

Please visit the Groundwork website for more information and to check if you're eligible www.groundwork.org.uk/tesco
